**Škvorecký, Josef 1924**

First published in Czech in 1975, this was translated into English by Paul Wilson. Then both Karel's private and work worlds collide at a company party near the lake. Was a nice vibe although a few less waves which was fine by me.

**Things left unsaid**

Over the course of the film, Hansard and Irglová emerge as eerily similar to the characters they played in Once.

**The Swell Season**

Had an incident a while ago with a moron on a mal who i thought was going to go left as the rights were closing out and the lefts peeling. Ale hlavní osu příběhů tvoří Dannyho lásky.

**The Swell Season by Josef Skvorecky**

Sport není jeho silnou stránkou, ba právě naopak.
