Memoir of John Bunyan

Four Biographical Sketches, by John Morgan (1892)

He still adheres to the ancient costume, and is now observed taking his rides in the morning, in a long-waisted coat, of a snuff colour, and having three large figured gilt buttons set upon the cuffs, which are slashed after an antiquated fashion. Astral light is the grand agent of the Hermetic operations of the Sun, 774-1. The first evidence of that life being imparted to the soul is his seeking unto God in Christ.

The Ten Commandments

As it is in the natural, so it is in the spiritual: there are certain things which foster and there are other things which hinder Christian progress, and it is the lasting obligation of the saint to make full use of the former and to resolutely avoid the latter.

GOD ANSWERS YOUR QUESTIONS

Surely all God speaks is worth remembering; those words are weighty which concern salvation. The act of witnessing to the doctrine of Christ is not in itself an act of jurisdiction, but rather, as being a communication of grace and of supernatural life, belongs to the Power of Orders.
