## DRS2018 Vol 1

Marble Sculptures in Algeria: From Local Sources or Elsewhere? Participants then performed four weekly test trials to assess long-term retention of training. The Director may designate certain conservation officers to be special conservation officers.

## Floodplain management in a multifaceted world

The book was a manifesto, a wake-up call to the public, and a rallying cry for government intervention in the name of health and safety. This completes a brief report on the content of the special section on artificial muscles.

**forces training area: Topics by Science.gov**

. The initial technical success rate was 100% and the clinical success rate was 92.
