**Structured COBOL : a modern approach : Mullish, Henry : Free Download, Borrow, and Streaming : Internet Archive**

In this division, PROGRAM-ID is the only mandatory paragraph. The programmer and the compiler use this division to identify the program.

**Structured COBOL: Fundamentals and style by Tyler Welburn**

Style summaries of the earlier revisions are retained and 50% new programming problems have been added. Satisfaction is guaranteed with every order.

**Structured COBOL : A Direct Approach by Gerald Wohl and Rina Varmish (1992, Trade Paperback) for sale online**

© 1996 - 2021 AbeBooks Inc. AbeBooks, the AbeBooks logo, AbeBooks.

**IS 3033**

In this edition COBOL-85 is given primary emphasis and the latest standard, COBOL 199x is highlighted throughout. Appendix C: COBOL Reference Summary. Includes a copy of The Wiley COBOL Syntax Reference Guide for the text without the guide the ISBN is 0-471-59747-3.

**Structured Cobol Programming**

The last statement to end the execution in this division is either STOP RUN which is used in the calling programs or EXIT PROGRAM which is used in the called programs.

**Structured Cobol Programming**

PROGRAM-ID specifies the program name that can consist 1 to 30 characters. Given below is the JCL to execute the above COBOL program. The programming style advocated is based on the 'structured' constructs of COBOL85.

**Structured Cobol Programming by Nancy B. Stern**

The book has been read, but is in excellent condition.

**Structured COBOL Methods : How to Design, Code and Test Your Programs So They're Easier to Debug, Document, and Maintain by Paul Noll (1997, Trade Paperback) for sale online**

Pages and cover are clean and intact.
