Industrial Ecology and Input

Insofar as the utility does incur extra costs due to the CHP unit, the CHP unit should pay. Energy Use, Loss, and Opportunities Analysis: U.

Electricity meter

Also there are well-known output measurement problems for various market services industries, in particular finance and business services. Quite apart from individuals' development, different communities and groups may reward PERSPECTIVES ON VIOLENCE 102 or punish violence quite differently depending on its purpose, on the victim's ethnic status or sexual preference, and on his or her preexisting relationships to the perpetrator s.

IBM Systems Journal

Perhaps surprisingly, the main contributor to rapid increases in GDP per worker is market services and not manufacturing.

4 Energy Efficiency in industry
