How to Read Barthes' Image

Now, it is as the latter that Stiegler has defined the object of photography. Rather, fashion is implicit in objects, or in the way that these objects are described.

Roland Barthes' Concept of Readerly and Writerly Texts

Much of The Fashion System, however, is a discourse on method because fashion is not equivalent to any real object which can be described and spoken about independently.

How to Read Barthes' Image

Roland Barthes: “The Pleasure of the Text”

Barthes notes that the traditional critical approach to literature raises a thorny problem: how can we detect precisely what the writer intended? The early Barthes aimed, in 1957, to analyse and criticise bourgeois culture and society. Barthes: A Very Short Introduction.

Barthes and Text :: Readerly and Writerly Texts

A short list of topics the collection of writings in the book touches on is art, literature, film, photography, architecture, writing, striptease, wrestling, tuberculosis, cooking, teaching, science, love, and, sex. So creative and surprisingly enlightening as well.
