Dubitatio as a Rhetorical Strategy.

Handbook of literary rhetoric (1998 edition)

A workbook style rhetoric that is the only composition book employing many specific rhetorical figures to understand basic modes of essay writing. But others recognised that, as Thomas Wilson observes, the defining characteristic of dubitatio must be its disingenuousness. The only issue here is the quality of the translation - and it is uniformly excellent.

Lausberg, H. 1988. Handbook of Literary Rhetoric A Foundation for Literary Study, ed. David E. Orhon and R. Dean Anderson, Brill, Leiden, Boston

All three reject what they see as brainless attitudes toward recent history, narcotized manifestations of the oblivious, the forgetful, and the soothingly dull. Best for consulting the history of a given term.
