Older County Histories: Northumberland

Many Anglo-Saxons were given land in Britain as a return for their protection, but it became increasingly apparent to the new settlers, that Britain was now a vulnerable province that was there for the taking. Surrounding Counties north , northeast , east , southeast , south , southwest , west , west , west.

The History of Northumberland

In 651, had killed and replaced by , but Aethelwald did not prove to be a loyal sub-king, allying with the king ; according to , Aethelwald acted as Penda's guide during the latter's invasion of Northumbria but withdrew his forces when the Mercians met the Northumbrians at the.

HISTORY

War raged between Mercia and Northumbria and on November 15, 655, the Mercians and Welsh were defeated in a great battle.

History of the Kingdom of Northumbria

Uhtred the Earl of Northumbria led an army into the West Midlands to challenge Canute but Canute moved up the eastern flank of the country into Lincolnshire and crossed to York. It is here that the Town Municipal Office conducts town business in an old school building 6, that has a town marker at this location on Catherine Street named after Peter's wife. In 1921, the was created.
