What is Ethics?

The speech is significant both because its topic remains timely and because its arguments illustrate the applicability of the principle of utility to questions of large-scale social policy.

Introduction to Ethics

The meaning of this story has been interpreted in many different ways.

Intro to Ethics

At times of physical peril—say in a big storm on a small sailboat—a crew member may be immobilized by fear and unable to function, thus putting the lives of everyone on the sailboat in danger. In their consideration of consequences, they range from those advocating regardless of the pain and expense to others, to those stating that the most ethical pursuit maximizes pleasure and happiness for the most people. Instead, meta-ethics is concerned with understanding the language of morality through an analysis of the meaning of ethically related concepts and theories, such as the meaning of good, happiness, and virtuous character.

Intro to Ethics

It is a pleasure to acknowledge the debt which the book owes to Mr.

Basics of ethics

It applies to all aspects of business conduct and is relevant to the conduct of individuals and entire organizations.

Introduction to Ethics

People 'act out of respect for the moral law' when they act in some way because they have a duty to do so. We do not wish to have the fruits of our labor stolen from us.

Intro to Ethics

Shafer-Landau carefully reconstructs and analyzes dozens of arguments in depth, at a level that is understandable to students with no prior philosophical background.
