PUBLISHER'S DESCRIPTION For everyone who has known the pleasure of a pint, Randy Mosher explores and explains the tasting experience, guiding readers to a better understanding of how every batch of beer is affected by recipe formulation, brewhouse procedures, yeasts, fermentations, carbonation, filtration, packaging, and much more. The Flavor Equation is one of those cookbooks that will not only teach you new recipes, but also a whole new way to think about cooking. It's one of my FAVORITE classroom activities that I stole borrowed from my friend, Janice Malone at ELA Seminars, LLC.
