Dharmakīrti's ultimately real paramārthasat particulars are contrasted with conventionally real entities saṃvṛtisat as part of his presentation of the Buddhist. Ignorance for Dharmakīrti is conceptuality, pseudo-perception and superimposition overlaid on the naturally radiant prabhāsvara nature of pure perception.

Dia juga akan merasa susah terhadap sesuatu yang menyusahkan kaum muslimin, dan dia akan merasa senang terhadap sesuatu yang menjadikan senang kaum muslimin. Mereka itulah orang-orang harokah yang sebenarnya, dimanapun mereka berada. Bukti semua ini adalah : Mereka tidak memelihara hukum-hukum Allah di dalam pergerakan mereka.

Ciri Khas Pengikut Harokah

The role of Buddhist logic was seen as an intellectual defense against Hindu philosophical arguments formulated by epistemically sophisticated traditions like the school. Bahkan ciri khas yang menonjol dari mereka adalah : Mereka tidak akan mengumpulkan massa kecuali untuk memprovokasi agar melawan penguasa, dan hampir-hampir mereka tidak pernah insaf, walaupun mereka melihat rakyat berjungkir balik antara dipenjara, dibunuh, dan dirampas harta dan kehormatan mereka , karena termasuk prinsip mereka, yang dengannya mereka menipu rakyat jelata adalah : Tidak mengapa, bahkan harus terjadi pemusnahan suatu generasi untuk memberikan kesempatan kepada generasi selanjutnya! When he was young, Kumāṛila spoke abusively towards Dharmakīrti as he was taking his brahminical garments. There is an English translation of this work by Gupta 1969: pp.
