Bureau of Labor Statistics in New York, March 1988; press release summarizing report; Women's Wear Daily newspaper clipping re report; census statistics re employment by borough, 1949-83 Box 19 Folder 18 City Council resolution condemning NAFTA, faxed to ILG's Carl Proper for comments, February 2, 1993; minutes of meetings between ILG officials, including president Mazur, and deputy mayor of NY, members of City Council, and other city officials; letter from Mazur to NYC mayor David Dinkins requesting meeting to plan promotion of exports to Japan, December 12, 1990; description of the New York City Alliance for International Business, Community Development Agency job readiness grant eligibility guidelines, Nov.

Natural fiber Research Papers

The silk industry had reached the town by the 1670s and developed steadily in the 18th century, with buttons as the staple product. Meanwhile, the treatment of crumb rubber using NaOH solution improved the flowability, compressive strength and flexural strength. Most of the buildings west of Cross Street, including Hope Mill, were demolished in 1968.
