In December 1901 he first used the pseudonym Lenin, in signing one of his articles in Iskra.

Vladimir Lenin

However, there was a messenger awaiting Volodya outside the school building. In his letters to the working people of Western European, American, and Asian countries, he explained the essence and international significance of the October Socialist Revolution and the most important tasks of the world revolutionary movement. He had written What Is To Be Done? Lenin next proposed the Decree on Land whereby all landed estates, as well as crown, monastery, and church lands, with their buildings, livestock, etc.
