Reduction in force

Lastly, OPM is proposing to modify § 430. NOAA management has not chosen to do so.

Reduction in Force

Student or parent complaints regarding sexual harassment shall follow the procedures of District Rule 5010.

In the field, the minimum competitive area is an activity under separate administration within the local commuting area. Supervisors are encouraged to interview these candidates; however priority applicant status does not guarantee an interview. Priority applicant status will be in effect for twelve 12 months from the date of termination notification.

Performance will now be a subgroup, within the tenure group, which will be based on the total of each employee's summary level ratings for the employee's three most recent ratings of record for performance consistent with § 351. Re-employment shall include the following: 10. Additional applicants will not be referred until it has been determined that the individuals on the RIF list are not qualified.

4170: Reduction in Force

This policy applies to 1 employees with career status and 2 all other teachers and school administrators, as defined in the relevant statutes, during the terms of their contracts. Field units in NOAA are those units which carry out the functions of the headquarters units for a geographic area. In this case, the explanation was noted and the employee was appropriately included among those subject to the reduction.

Reduction In Force

Simply saying you are trying to cut costs may not be enough because that is the goal of virtually every reduction in force.

These can be useful for better understanding how a document is structured but are not part of the published document itself. The employee may bump the least senior employee in the same or lower level of the same functional classification level, whose job the senior employee can perform at a full-performance level. Curriculum determination will be based on the following: 1 competencies for current vacant positions, 2 gap analysis of affected staff members and 3 the ability to develop or enhance skills within the 60-day notification period.

The retention standing of each employee retained under any of these provisions remains fixed until completion of the reduction in force action which resulted in the temporary retention. A vice chancellor may, in his or her discretion, specify a broader boundary of comparison by providing written notification to the AVC for Human Resources.
