The American Flower Garden: Chapter 7

Any one of these makes a great gift for a gardener, especially a gardener who is starting a new landscape.

Spice Up Your Garden / Ornamental oregano adds color

Unlike its culinary sister, ornamental oregano has a mild, unremarkable flavor, but makes up for its lack of taste by sporting delicate flower bracts that come in a variety of colors, including pink, purple, burgundy and bright green.

35 inspirational gardening quotes and famous proverbs

Some very successful ones have been created on what was once level land. YELLOW, ORANGE AND WHITE PERENNIAL ICELAND POPPIES OF TISSUE TEXTURE ALONG THE STEPS THROUGH A ROCK GARDEN.

Garden Journals

Chrysanthemum argenteum through Allium karataviense I get the impression that this plant is not as well known as it deserves to be, given the conflicting information available and the fact that the various photos provided on the Internet do not always show the same plant. After rocks have been added to the slopes, an excavation of only three feet may make a total depth of six. Catmint can be an excellent substitute for lavender, which does not grow well in much of the Northeast.

35 inspirational gardening quotes and famous proverbs

Russian sage can send out runners, which should be removed early before they get a chance to take hold.

Garden Journals

Some will surely be chosen for the sake of the mosses and lichens upon them. Since Bedrock Gardens was originally a working 18c farmstead, the idea of using old farm implements and artifacts to create sculpture was a natural conclusion. . . from the farm, then back to the garden.
