Requests have reached me from many quarters to stop Sunday shooting, but I might as well try to stop the sun, as I am powerless to do so without some suitable craft, it is no small matter to row fifteen to eighteen miles with a row-boat and then find the hunters gone when you reach there. By 1823 it rose to about 46,500,000, but after 1825 it began to decline rapidly owing to the importation of English and Scotch yarns made by machine, which undersold the home-made article of Ireland.
