## Why Preserve?: Positioning the Issue and Methods of Analysis

This is the central concern of this chapter. He left behind many high-quality writings which have become the subject of further study by researchers today.

80679734

Nihon Kindai Toshi Keikakushi Kenkyū Historical Research of Modern Urban Planning in Japan. The maps of major war-damaged cities in Japan were also collected and then published.

## I The Government's War Damage Reconstruction Plans

What does the act of preservation seek to achieve? Wikipedia citation Copy and paste this code into your Wikipedia page. His research life can be viewed as consisting of two distinct periods, with the 1980s marking a turning point in his work. ... Some cities created such maps on their own.

## Gendai hyōronka jinmei jiten

In order for this system to be applied to urban development, the Arable Land Readjustment Act was amended in 1909 and later incorporated into the City Planning Act old law. In the Taisho period 1912-1926 , the population of Japan became significantly concentrated in big cities as Japanese industry was further modernized. The minutes include the agenda of the meetings, explanatory materials and the lists of the members.

## **I The Government's War Damage Reconstruction Plans**

Other contributors Added title page Contemporary critics and commentators in Japan : a biographical dictionary Notes Includes index. In 1948, the Ministry of Home Affairs was dissolved, and the War Damage Reconstruction Agency and the National Land Bureau of the former Ministry of Home Affairs were merged into the newly-established Construction Agency Kensetsu-in in 1949. The quick establishment of the War Damage Reconstruction Agency after the end of the war in August 1945 indicates that postwar reconstruction was already being prepared for before the end of the war.
