However, before going on to this, it is worth considering just what gave rise to the vehement opposition faced by universalists in the recent past, an opposition that has not entirely dissipated.

**Oral traditions and the verbal arts : a guide to research practices (eBook, 1992) [vip.stumagz.com]**

It also has other stabilizing features, such as association with a sense of home. As Kuipers himself points out, the hypotheses put forth in his essay call out for further development in relation to other traditions in which anthologization has figured importantly.

**of Ruth Finnegan's Oral Traditions and the Verbal Arts: A by Chukwuma Azuonye**

Moreover, the general preference of humanists has been strongly in favor of historicism and social constructionism. To see this, we only need to imagine encountering a species of space aliens who do not care about eating perhaps they survive on water and sunshine.

**Oral Traditions and the Verbal Arts : Ruth Finnegan : 9780415048415**

Kiparsky gives a formal example of an implicational universal. They are just passed down through the ages. Perhaps it is the case that some works cross traditions more easily than others.

**The Critical Role of Oral Language in Reading Instruction and Assessment**

Genetically distinct languages or traditions are languages or traditions that do not have a common origin.
