If, for any reason, you wish to cancel your subscription to the plan, please contact our Customer Service Department. Each article includes an overview of the field or industry and sections covering the background, structure, and outlook of each one plus additional resources for further investigation. Each article offers detailed career information, sidebars, and other user-friendly features, including a new Career Ladder, which shows common career paths for each profession, and new sections, such as Unions and Associations and Tips for Entry.

## ERIC

Each article has been thoroughly revised and updated, and many new articles have been added. The six-volume Encyclopedia of Careers and Vocational Guidance, 17th Edition is an essential resource for public, college, high school, and junior high school libraries; career centers; guidance offices; and other agencies involved with career exploration and planning.
