## What's the best way to Prevent Insolvency? Keeping your business Solvent

On 9 April, the US Federal Reserve broaden the range of assets that are eligible for Secondary Market Corporate Credit Facility to include ETFs whose primary investment objective is exposure to US high-yield corporate bonds.

## Insolvency: how to prevent and mitigate the impact

Rather than pay the increased cost, many consumers take their business elsewhere so they can pay less for a product or service.

## Covid

Discover more about canceled debt and what type of tax burden it can cause below.

## Subscribe to read

This moratorium would not necessarily need to be linked to a restructuring plan. Overview Understanding the early warning signs of business failure can help you identify potential issues early on.

## How To Prevent A Logjam Of Insolvency Infrastructure

The short answer is: A liquidator is a competent professional who takes care of the liquidation and proper termination of a corporation or partnership. While large sums of money will be made available to overcome the corporate liquidity crisis, resources are still limited and need to be allocated among competing claims.
