There would be several other considerations also.

7

**Per-Unit Retain Certificates** A per-unit retain certificate is any written notice that shows the stated dollar amount of a per-unit retain allocation made to you by the cooperative. If you get cash rental for a farm you own that is not used in farm production, you can't deduct soil and water conservation expenses for that farm. If you enter into a legal relationship granting someone else the right to excavate and remove natural deposits from your property, you must determine whether the transaction is a sale or another type of transaction for example, a lease.

### **Issues for cropping and agricultural science in the next 20 years**

It should also show all factors that enter into its valuation, including quality and weight, if applicable.
