### The Birds of the Malay Peninsula

Pollution has continued to increase, and punishment for violations has been limited in comparison to other crimes. Soon after, found much further south in Peninsular Malaysia and Singapore.

### Birds of MALAYSIA : Thru My Eyes: Common Hoopoe

These reefs are also intended to revive marine ecosystems.

### White

And this gallery includes the residents as well as migrant and migratory birds that come here during some seasons. Floods in East Malaysia have been worsened by the loss of trees, and over 60% of the peninsula's forest has been cleared. New York: Marshall Cavendish Corporation.

### The Birds of the Malay Peninsula

Kota Kinabalu, Sabah; Kuala Lumpur: Sabah Society; Malayan Nature Society, pp. Kuala Lumpur: Longman Malaysia, p.
