Vaison la Romaine

Vaison became a relatively important Christian religious centre a bishopric existed there from the 4th century where two councils met in 442 and 529. The surrounding countryside is filled with opportunities for cyclists, ask at the tourist office for maps for both mountain biking trails and road cycling circuits. To the west lay several agricultural outbuildings and a small heated building, probably a thermal bath.

Vaison

During this full day excursion in Provence, you will cross must touristic sites and villages around Vaison la Romaine. The of the Church of St. As the name suggests, this was an important town for the Romans, who liked its location and climate, and built many rather magnificent structures.

Vaison la Romaine (Vaison

Vaison-la-Romaine is famous for its rich Roman ruins and mediaeval town and cathedral. The castle at the top of the hill is not open to the public but you can get up close to the exterior and inspect the stone work and exceptionally thick walls.
