Dave Racer

Blue racers are the central and western North American subspecies of C.

RACER

North American racers are slender and long-tailed, with big eyes and smooth scales. Colors: Flamboyant Red, Radiant Blue, or Black. Choice of colors: Campus green, red, sky blue, and black.

Racer Machinery International

It's a sacrificial role - setting pace, blocking wind, and providing support to enable the team's sprinter to victory - winning is not an option. It is one of the few publications that focuses on ALL racing — open wheel, stock cars and sports cars. .

The Schwinn Racer

Also, the title screen is different, and the PC version supports multiplayer over IPX, instead of multiplayer on the same platform.
