The vision is in fact triggered by the exploding mortar shell that wounds Sinclair and sends him off to the field hospital, where he finds Demian on the pallet next to his. Galen, however, also added the whole Stoic trust in nature, the strivenfor harmony with nature, without the slightest deviation or overhauling. Unlike the positivist mentality of nineteenth-century historicism, which aimed at a reconstruction of the past as such, the dialectical image sought to situate the past in relationship to the revolutionary needs of the historical present.

## The spirit of Utopia by Ernst Bloch

A week later, leaving Travancore, he is dismayed to realize that he has not yet penetrated ' of India and has divined nothing of the Brahmanism the inner core intinite of which this province is one of the centers 99. Which is understandable, even ante rem, because continuation in the flesh even as a wishful dream does not occur without mixed feelings, nor without horror; the legends of the Wandering Jew and the Flying Dutchman demonstrate this. The theological origins of Benjamin's thought know of no such mediation, and his concept of redemption remains therefore more of a pure posit or a regulative idea.

Such representative documents as the perennially popular *Diary of Robert Francis Kilvert 1840—79*, a country curate, display not the slightest trace of spiritual doubt or, indeed, of the fierce religious controversies raging elsewhere in England. The emotion of hope goes out of itself, makes people broad instead of confining them, cannot know nearly enough of what it is that makes them inwardly aimed, of what may be allied to them outwardly. And I want this man to possess an infinitely keen perception of the difference of things, the adventures of which perception might well be called analysis.

### **The spirit of Utopia by Ernst Bloch**

The myth of primitivism 80 high far left , and a tiny Aztec ornament, c. This separation is rationalized by accentuating cultural differences between the west and others by the development of a philosophical discourse that gives western man a historically advanced position, a position that justifies his messianic ambitions in the world. The fact that along with the slaves there was the broad exploited mass of peasants and traders in this ideal state, this pervasive immorality was cloaked by the ideology of a tiered justice; and the exploitation here, as is obvious, was ideologized by the doctrine of an innate servant soul of base metal.
