Early childhood education and care

In addition, JECER publishes shorter articles that do not undergo peer review.

Jecer

At Langara College, snəwəyəl leləm, ECE students develop advocacy, social responsibility and a rich understanding of the complexity of the work of an early childhood educator. Students may start the diploma program in either September or January. The Office of Early Childhood works jointly with the NDE Office of Special Education and the Head Start State Collaboration Office HSSCO, and provides support for the Early Childhood Interagency Coordinating Council ECICC.
