## The Old Believers and the Rise of Private Industrial Enterprise in Early Nineteenth

Similarly, the influence of the Russian parliament was also significantly curbed. The End of Troubles Two strong leaders arose out of the chaos of the first decade of the 17th century to combat the Polish invasion and settle the dynastic dispute.

## The Rise of Moscow and Peter the Great

It is authoritatively maintained by denial and punishment of improper behavior. They prepare all meals, keeping track of the church calendar to ensure that fasting is observed. In 1581 the Stroganov merchant family, interested in fur trade, hired a Cossack see Glossary leader, Yermak, to lead an expedition into western Siberia.

## Moscow

The primates of the Russian church were metropolitans, who were appointed to the Kiev followed by Moscow cathedra from Byzantium. Likewise, in northern Russia, where the Orthodox church had never had much influence, the peasants resented Nikon's efforts to extend his control over them; they supported Old Belief as well.

## The Rise of Moscow and Peter the Great

Within a year Vasily Shuisky a Rurikid prince staged an uprising against False Dmitri, murdered him, and seized control of power in Moscow for himself. When Nikon obliged his flock to change their hands, it seemed that he wanted them to discount the icons in their churches and the instructions in their psalm books, which explicitly showed the old Russian style of the sign.

## The Grand Duchy of Moscow

Today three branches of Old Belief—the Belokrinity, the Fugitive Priestly, and the Pomorians—have legally recognized national organs. Moscow refused to pay its normal Golden Horde taxes starting in that year, which spurred Khan Ahmed to wage war against the city in 1480.

### **The Rise of Moscow and Peter the Great**

Religion and Expressive Culture Religious Beliefs. A great contribution to this was made by Patriarch Nikon, a bright personality and outstanding church reformer.

### **YET ANOTHER VARIANCE OLD RITUALISTS**

Two impostors attempting to gain the throne in Moscow attempted to leverage Romanov power after Godunov died in 1605. In 1918 the Bolshevik state nationalized private industry, forced many of the Old Believer capitalists into exile, and permanently ended most of their economic influence.

### **The Grand Duchy of Moscow**

It was also during this time, where Russia made important gains in the Ukraine, which became a Russian Province in 1654.
