## Exploratorium Memory Wall • According to Hilde Hein's book "The Museum and..."

The training was set to start at 9:30 a. Today, eight in 10 science museums globally have Exploratorium-designed learning experiences, and the museum reaches 200 million people globally each year. By helping like-minded entities of all kinds create Exploratorium-like learning experiences, they reach millions more people each year.

### The Exploratorium

But I think we showed how it could work. Step onto the platform of the Blood-o-Meter to learn how many red and white blood cells are in your body.

### Exploratorium

The film crew built elaborate lighting rigs to capture the laser and holograph installations, and getting truly candid footage of visitors took a spy-like level of subterfuge. And we just celebrated our 44th wedding anniversary.

### The original SF Exploratorium like you've never seen it before

Originally conceived by Manhattan Project physicist Frank Oppenheimer after his career shifted to education, the Exploratorium museum opened its doors in the Palace of Fine Arts in 1969 and relocated to Pier 15 in 2013. The Exploratorium is one of my favorite family-friendly activities in San Francisco. Throughout the history of the Exploratorium, there have been many attempts to bridge this discontinuity, either by breaking out of the box or bring the outdoors inside.

### Mind: The Science, Art, and Experience of our Inner Lives

The team collaborates on projects all over the globe—from Arkansas to Abu Dhabi. With sweeping views of the city skyline, Coit Tower, the Bay Bridge.
