Richard tells Perry the men have dropped him and Perry is thrilled, because he has wanted to smash them. There was the bottle of holy water, a saucer of oil, and a small dish in which the priest washed his tremulous hands, and a nun reached up to give him a clean and ragged towel. If I were marooned on a desert island, I would have to have this book with me! I sat on the floor in the living room watching this happening on television, tears running down my face, with my three oldest sons who were all babies at the time sitting on my lap while the birthday cake was baking in the oven.

Once Henry leaves, Richard burns the documents, his only hold over Henry, much to the admiration of Harvey, but events may have gone too far already. Armagh ran contraband during the civil war to begin his fortune while Kennedy was often rumored to have illegally run liquor during prohibition to start his fortune. Many believe the Illuminati are the masterminds behind events that will lead to the establishment of such a New World Order.
