Montana Vigilantes

Four other men in the party were also murdered in camp—Charlie Allen, Robert Chalmers, Horace Chalmers and William Phillips—by Lowrie, Doc Howard, Jem Romaine and William Page. Ewers, Teton Dakota Ethnology and History Berkeley, Calif.

Fire / EMS

The prospect of danger waited around every bend for men who would challenge the big river. Owen Wister and the West.

Fire / EMS

Winds were high, yet suitable at times for sailing.

Jackson, WY

At night, the men hovered around small fires in thrown-together shelters and dreamed of sunshine and springtime.

John Clymer

It was made of large poles mounted upon firm stringers. The hunting ground was in the upper Wind River Valley where the surrounding mountains blocked out the cold winter winds and attracted an abundance of game.
