Caricaturing “traitors”: Communal reactions to indigenous collaboration in Japanese

Previously history in Korea was essentially the history of the court, and much prominence was given to the legendary Kija, who had fled China in 1122 B. In 1880, the government established a mechanical plant, a telegraph exchange, and a cocoonery, and civilians built textile plants, reeling factories, and ironworks. As Schmid points out, however, just as they urgently cajoled and implored their readership to embrace the values of munnyŏng kaehwa, the very same values were being conscripted into the service of Japanese efforts to colonize the peninsula.

They envisioned their activism as standing outside the existing political ideology and structure.

History of Korea

After the victory over Poland and the following games with the United States and Portugal, etc. People at home or in offices who could not make it to the protests responded directly to these real-time broadcasts.

Taehan

These goals were not explicitly articulated in the protests. He made a long, aggressive speech about the anti-Americanism of the Candlelighters without giving bystanders any chance to express their opinions.
