This is called the statute of limitations and the exact amount of time will depend upon your local residence. Treasury imposes a three 3 year time limit for federal agencies to submit final debits i.

Reclamation 101 Guide

For this reason, we recommend contacting a lawyer if you have any questions specific to your situations. Questions about the collection of information can be directed to the , Government Digital Experience Division. Long story short, my mother had cancer, was on SS disability for a back injury she'd received in the early '90s.

MRS Associates

The first key is to always negotiate to settle your debt for less.

Annual Reclamation Reports

When the FI protests a reclamation to Treasury because the reclamation arrived more than 120 days after the FI believes we learned of the death, Treasury notifies us of the protest. If Treasury determines that we sent the request within 120 days, the reclamation process continues.
