A positive approach to discipline

Also, as with spanking, it hurts the relationship with the child.

Why Positive Discipline Is Better for Your Child — and You

Children are unique and so are the families in which they live. Wherever possible, tell your child what they can do, as opposed to what they cannot do.

Parenting

But when that happens, it will be very rewarding and the benefits will last a lifetime. So it's wise to eliminate temptations and no-nos — items such as TVs and video equipment, stereos, jewelry, and especially cleaning supplies and medicines should be kept well out of reach. Instead of teaching responsibility and self-control, spanking often increases aggression and anger in children.
