### Shev Shema'tata

When Jesus began His answer with the Shema prayer, He acknowledged the Lord God as most important and that complete devotion to Him is the most important of the commandments.

### What is the Shema?

The reasoning process that Heller employs to analyse and resolve these very basic conflicts and contradictions in the is considered the basis for the analytical method used in modern times in Talmudic study. This day was observed as a holiday in Hasmonean times.

### Shevat

The question is whether the Chazakah of the first impurity holds good to decide his status in reference to the second impurity. That is, does a presumption have the effect of assimilating the doubtful cases to the certain cases in all respects, or are doubtful cases a third category with its own special laws, alongside the certainly included and the certainly excluded? The assumed Akkadian origin of the month is Šabātu meaning strike that refers to the heavy rains of the season.

### What is the Shema?

The first two words are done for you.

### The Sheva

Chazakah is the presumption that in case of doubt one may assume that the physical or legal status of the object or person in question remains constant. Exercise 2 Read the following words aloud until you can do so fluently. All rights reserved.

### Shev Shema'tata

One series of questions concern the way in which these presumptions interact. In cases where the primary sources cannot yield an unequivocal

principled answer, there are still presumptions, sufficient in ordinary life, for deciding on the better view.

### **What is the Shema?**

The relative strengths of these two Chazakot are compared and contrasted. It is no surprise that the scribe replied this way in verses 32—33: You are right, Teacher. Heller points out based on various Talmudic passages that if the object is likely to change in his example a girl who is likely to mature then the Chazakah D'Hashta takes precedence.

### **What is the Shema?**

The focal passage here is Niddah 2b - this discusses a case in which we were certain about the status of an object in that passage a ritual bath on day one and again on day seven but we are unsure about the time in between days 2-6. This refers to case wherein a person or object is under the influence of a specific type of spiritual impurity or halachic prohibition. His basic stance is a blend of and Italian , somewhat similar to that found in 's Shene Luchot ha-Berit and the works of.
