We must all be prepared for the next UFO wave, wherever it may occur.

The Falklands Conflict 20 Years On: Lessons of the Future (Sandhurst Conference Series)

The next day, we started to work on the Recce report after a good breakfast. Moreover, we were unable to place our ladder in the right place due to the unstable nature of the ground and short length compared to where the mast was situated. Yet, it was feared, the military, including Galtieri himself, might hope to survive a surrender and retain power if Argentinian forces could hold on.

War and Peace in the Balkans: The Diplomacy of Conflict in the Former Yugoslavia (International Library of War Studies 4)

I would contend that the amphibious landings and northern route were a classic example in a geopolitical sense of land and sea commanders, to paraphrase Sun Tzu, situating themselves cleverly with the positions that they found themselves in. Scheme did not alter hugely, but the focus did.

Defining the Roles & Responsibilities of Your Security Team

A battle rhythm has now become routine. This is not possible for a helicopter, and, more importantly, a human being inside could not survive the g-force from the acceleration required for this upward motion.
