At every level of experience, the stories that come out of World War II are potent and compelling. From 1922 until 1926, Serge with his family was sent by the Comintern to Berlin and then to Vienna for the purpose of forming a revolutionary working-class movement in the West. News of the Russian Revolution impelled Serge to return to France in an attempt to join the Russian army from Paris.

Collection: Victor Serge papers

Je demande pardon aux enfants d'avoir dédié ce livre à une grande personne. You had tremendous good luck and good timing! Each subseries contains a number of carbon and holograph drafts of letters from Serge, as well as typescript and holograph drafts of letters to him. Serge's childhood was one of poverty.
