## Glasgow : definition of Glasgow and synonyms of Glasgow (English)

By 1914, there were upwards of a dozen copartnership societies catering, overall, for some 35,000 people; but their ideological colouring, with the sizeable financial stake they required of members, meant that this particular tenure was biased towards the upwardly aspiring working or even middle classes, rather than the poor.

## Politics of Glasgow

In early 1014, , king of Denmark, had invaded and become the first. This is a card record of collateral loans supported by warehouse receipts for merchandise, etc. The name is also increasingly being used to refer to any area to the west of.

The gross value of his estate was just under £73,000, his wife Mary and brother in law William Hugh Campbell, a colonel in the Royal Scot Fusiliers, being his executors.

## Glasgow

Burns, her forename being Margaret, and her two sons, James and Robert who was age 22. For such a thing to arise required the fusion of two deeply rooted elements of British culture: a white-hot, outraged anger at the impacts of poverty on the lives of people, that was expressed in religious evangelism and the many different kinds of socialism; and the rich varieties of utopianism expressed in communitarian experiments, co-

operatives and certain aesthetic movements. The instituted by South Korean president in 1998 was a watershed in inter-Korean relations.

**Browse subject: Local government**

From the mid-century there were increasing calls for Home Rule for Scotland and the post of was revived. The town, by then already the largest in Scotland with 200,000 residents, was split off from the , which itself had been created from a merger of four seats, one of which was.
