### VFA

In this game, you are the pilot of one of these aircrews with a choice of flying one of six aircraft, and your missions will pit you against any of seven additional enemy aircraft although you will not get to fly them.

### Home

Aircrews from around the world come here to compete against each other, undertaking three missions which are monitored and points are awarded.

Since the transition, the Black Aces have made three combat deployments to Iraq, one in each of 2003, 2005 and 2007. Review By HOTUD  
Strike Aces has an add-on available: , don't miss it! In one section sit rusting, prop-driven, gull-winged F4U Corsairs, of the type first used by then VF-41 during their maiden cruises following World War II. Their cruise was documented in the book Black Aces High.
