Sold Polo Picasso Etching, The Sculptor's Studio

Here we would like to tell two stories of sharing.

Cahiers d'Art

Starting at an early age, Picasso received art education from his father. Although he had made many before, notably those published collectively as the 'Vollard Suite', he had never worked quite so intensively on a print project. Let's take a closer look at the hand of the sculptor.

Written and oral descriptions are our opinions and should not be construed as a guarantee of any kind as to importance, genuineness, authenticity, authorship signatures, attribution, provenance, period, age, culture, religion, source, origin, condition, materials, quality, size or any other features of items being sold. The two arms together convey the idea that the artist's mind is androgynous as the model must be too if every painter paints himself.
