Typee by Melville, Herman

Richard Tobias Toby Greene 1846 The book delivers quite a wild tale and from the beginning there were questions about whether any of it could possibly be true. These and three other stories were collected in 1856 as The Piazza Tales.

Typee : a peep at Polynesian life. During a four months' residence in a valley of the Marquesas : Melville, Herman, 1819

Melville continually admits vast ignorance of the culture and language he is describing while also trying to bolster and supplement his own experiences with a great deal of other reading and research.
