Baker Tilly

In the wake of COVID-19, every community will be faced with the daunting challenge of rebuilding their local economies. This collective approach has provided a framework for resolving issues that may prevent a place realising its full potential.

Baker Tilly

Downloads Kogarah is a strategic centre and dual Council Collaboration Area. Commerce accomplishes its mission by developing relationships with corporations, site location consultants and stakeholders in Kansas, the nation and world.

Governor Laura Kelly Announces Comprehensive ‘Framework for Growth’ Economic Development Strategy

It displays quarterly highlights, key facts, points of interest and comparative data to previous quarters. Our vision for change focuses on our activity and efforts across six priority areas including health, education, neighbourhoods, economy, climate and culture. For this reason, it is identified as a Collaboration Area.

Corporate Information

For example, jobs might once have been heavily concentrated in industries like logging, mining, or manufacturing, but technology and market forces have transformed these sectors, and they no longer employ a large workforce. The Place Strategies are reported to the Greater Sydney Commission's Infrastructure Delivery Committee for endorsement and then the Commission's Board, for approval. Collaboration Areas are identified as the first action in the Greater Sydney Region Plan.
