After their game, Yongha asks through Su-yeong why Hikaru plays Go. He understands people's emotions well, this perhaps being because of or the cause of his interest in messing with people. When Soo-Won was made king, Joo-Doh began to more openly show his hatred towards Hak, seeing him as a danger, knowing he wishes for Soo-Won's death. Joo-Doh overheard spectators commenting how he narrowly avoided fighting him, believing Hak would have surely defeated him. His mischievous attitude leads to a lot of tension between Team Japan and Team Korea surrounding the tournament.
