## Libertas

There are bright days and dark nights, and both are from the Lord.

## God and Human Freedom

The president alone decides who will serve in his cabinet. Then give thanks to Lady Liberty and ask Her to continue to work Her magic on the situation.

## What Does It Mean to Have Freedom in Christ?

God created human beings, not robots. The Roman religion had a large and complex pantheon with a great assortment of Goddesses, Gods, and other sacred forms. He was a god of the grape and of wine; his early ludi scaenici virtually defined their genre thereafter as satirical, subversive theatre in a lawful religious context.

## The Axiomatic God of Freedom

Goddess Goddess of Fertility, Hunting, and the Moon Goddess God of wealth and the underworld. How did those years of service affect them? God Goddess of Marriage and Women. Spaeth cites Henri Le Bonniec, Le culte de Cérès à Rome.

## Serve Jehovah, the God of Freedom

The victory is already yours. Liber entered Rome's historical tradition soon after the overthrow of the Roman monarchy, the establishment of the Republic and the first of many threatened or actual from Rome's patrician authority.

## The Axiomatic God of Freedom

The slave does not remain in the house forever; the son remains forever.
