### COVID

A family calendar or other visuals could be useful for keeping track of deadlines and assignments.

### School Inspections

Wearing masks should be a priority when it is difficult for students to stay 6 feet apart from each other e.

### School Inspections

Virtual or at-home learning may pose additional challenges with staying connected to peers, since students may have less frequent or no in-person interactions to each other. Likewise, if your child receives mental health or behavioral services e.

### COVID

In addition, if your child receives speech, occupational, or physical therapy or other related services from the school, ask your school how these services will continue during virtual at-home learning. Deciding between in-person and virtual learning? Whatever the situation, these checklists are intended to help parents, guardians, and caregivers, plan and prepare for the upcoming school year.
