Allen was not only a photographer, but an advocate for a maligned and misunderstood community. Hamilton claimed he never used any filters to achieve his characteristic look, shot everything by diffused indoor natural light never using any reflectors or artificial fill and used only Ektachrome 200 film.

A Look Back At The Subway In The Early 1980s

When suffering debilitating depression after the birth of her daughter, she made the decision to put her feelings down on paper. In 1984, the building was sold and because rents had risen so much I ended up in Astoria. I had a place to shoot and I set up my first darkroom.

Crossdressers and the photographer who loved them

She was born in New York City in 1965 and, at age 12, she starred as a child prostitute in Pretty Baby 1978.
