**Last of the Breed (Louis L'Amour's
Lost Treasures): A Novel**

When prisoners were brought before
Colonel Zamatev they were frightened or
wary. A casual remark had been made
about operating the new plane in sub--
Arctic temperatures; a few days later the

question of a refresher course had been raised, if Major Makatozi were to pilot the new plane.

Last of the Breed by Willie Nelson, Merle Haggard & Ray on Apple Music

A man who previously informed on him unlocks the shed he is in and allows Mack to escape. I have no skills to make it out, let alone to survive in the wild. It also shows his mastery of storytelling no matter what genre he chooses.

Last of the Breed (Louis L'Amour's Lost Treasures) by Louis L'Amour: 9780593129944

A massive chase then ensues with KGB and GRU operatives flying all over the place trying to get him back. I feel like I am there in Siberia every time I open this book.

Last of the Breed (Louis L'Amour's Lost Treasures) by Louis L'Amour: 9780593129944

Maybe a bit meandering in small measure and a touch lengthy in the subplots; the introductory tie-in and thought provoking ending make it all worth while. Our battle records, in every war the United States has fought, have been surpassed by none.

Last of a Breed

I'm betting it will be different than anything you have read, so take a chance! When captured, he is roughly beaten by his pursuers, but true to his heritage, he never makes a sound. Major Joseph Makatozi Joe Mack of the United States Air Force is brought down illegally by the Soviets in the last days of that nation's existence, between Alaska and Russia in international air, on the frigid Bering Sea and this is the last time the pilot feels the essence of tranquility, on the contrary harsh darkness permeates the Siberian landscape where the prisoner is brought.

Last of the Breed

Only one route lies open to Mack: the path of his ancestors, overland to the Bering Strait and across the sea to America. It sort of drug along, with bits of excitement thrown in the middle to keep you going. Keep a warm blanket handy.

vip.stumagz.com: Last of the Breed: A Novel (9780553280425): L'Amour, Louis: Books

A mounted machine gun in each tower. Good story from start to end. In my lifetime I shall take two.

Last of a Breed

Joe Mack takes on the GRU Soviet army Col. He was a prisoner, and when they had extracted the information they knew he possessed, he would be killed.
