### Tony Stone Goes Online

Although CD-ROM catalogs are significantly less expensive to produce than printed catalogs, a substantial majority of customers currently prefer to select images from printed catalogs. Charles Stanley is the senior pastor of First Baptist Church in Atlanta, Georgia. They will be surprised that I still have the urge to excite innovation in the industry.

I would love to get my fingers on some stats showing how many letters get sent and the percentage that are just paid. We know that is the case with a limited number because not all photographers with images in the MDC were even offered new contracts.

### Getty and the Stone Collection

Their bite can transmit a number of nasty diseases, such as Lyme disease and rickettsia. I totally understand that Getty has to protect their IP, and that due to their size, they spend a lot of time and money doing so. Granted it is old, but shows cds were available.
