## ill. -- - Writing a Research Paper

Description: -

-

Technical writingASME paper

-

ASME manual (American Society of Mechanical Engineers) -- MS-4

ASME manual -- MS-4ASME paper

Notes: Cover title.

This edition was published in 1982

Filesize: 41.12 MB

Tags: #J. #Manuf. #Sci. #Eng.

### 2021 IMECE® International Mechanical Engineering Congress & Exposition®

For reference, consult American National Standards Institute ANSI recommendations. We encourage JMD authors to contribute articles to COVID-19 related subjects.

#### Announcements & Call for Papers

The purpose of the paper should be stated at the beginning, followed by a description of the problem, the means of solution, and any other information necessary to properly qualify the results presented and the conclusions. Acknowledgments Acknowledgments may be made to individuals or institutions not mentioned elsewhere in the work who have made an important contribution.

#### Journals Publications

Figure references should be included within the text in numerical order according to their order of appearance.

#### J. Manuf. Sci. Eng.

Publication Target Dates: Submission deadline: November 30, 2021; Initial review completed: February 28, 2022; Final decision: May 31, 2022; Publication: August 1, 2022. Such papers will still be submitted to JMD, going through an expedited review process, and published with a link to the ASME COVID-19 Resource virtual issue at CALL FOR PAPERS 2021.

### 2021 IMECE® International Mechanical Engineering Congress & Exposition®

Mechanical Engineering magazine is the award-winning monthly flagship publication of ASME. Paper Number Arial size 16 font and directly below the conference header on the right side of the paper.
