Six-year-old Joshua was in the back seat.

Airline pilots returning to the skies after months on lockdown are making 'mistakes'

On 25 July 1915 Captain Hawker flew his Scout C, bearing RFC serial number 1611 against several two-seat German observation aircraft of the , and managed to defeat three of them in aerial engagements to earn the first awarded to a British fighter pilot, while engaged against enemy fixed-wing aircraft. This pioneering , like the and the , was a type. However, only debris and bodies were recovered; no survivors were found.

How Do Pilots Steer Passenger Jets When On The Ground?

Warfare and Armed Conflicts: A Statistical Encyclopedia of Casualty and Other Figures, 1492—2015. The first air cameras used glass plates.

Real Flight Simulators, FBPT, Cockpit Trainer & Components

The new German fighters had still not arrived, and the British still held general air superiority. Even more seriously, replacement pilots were being sent to France with pitifully few flying hours. The war also saw the appointment of to direct the belligerent nations' air war efforts.
