## Daisy Greville, Countess of Warwick

This Adine, who was content to unite her May to his December, was to him a perfect angel, devoting her youthful energies to sustain and cheer his valetudinarian existence with a cheerful unselfishness, which he repaid by a grateful and tender affection, having an air at once marital and paternal. Things have not been well managed, and I expect the result of all these proceedings will be damaging to the Liberal interest, and rather advantageous to Lord Derby. Nothing could be more moderate, so moderate that it appeared next to impossible the Government could oppose it.

But this is judging apr? However, the match fell through, and by mutual choice, in 1881 Frances married , the eldest son and heir of , although her parents did not initially approve. Leonard's to stay if he will, but Senior thinks he will not; certainly not, unless with the concurrence of his present colleagues, which it is doubtful if Derby in his present frame of mind would give. The consequence has been some little soreness on both sides, but this has now been all removed by explanations and amicable communication.

Austria holds the same language that we do, but will not act. If this latter danger, he said, were to become more formidable, he knew very well how to avert it by a war; and though his earnest desire was to maintain peace, if no other means of self-preservation should remain, he should not shrink from that, which would at once rally the whole army to one common feeling.
